

# Download Digital Health Meeting Patient And Professional Needs Online

Stephanie Tilenius is the Founder and CEO of Vida Health, a digital therapeutics platform that helps individuals overcome chronic mental and physical health conditions once and for all. Leaders who embrace the digital shift in patient and healthcare provider (HCP) behavior or see current approaches plateauing in effectiveness often struggle to gain traction for these perspectives across their organizations, or they find that initial results do not meet expectations. Digital Practice is a service that has been designed to make it easy for patients of this Practice to: Get answers to their questions; Quickly access the right help and advice for their needs. Standard Description User need; NHS Number: The NHS Number is the established unique patient identifier for use across health and social care. It is essential to ensure safety and continuity of care.
