A suite of interactive ethical scenarios featuring Ethel, our ethical guru, who guides users through the ethical issues associated with dilemmas solicitors might face in practice. Integrating children's rights and ethics into the heart of the design process. The Designing for Children Guide was created by 70+ heroes – designers, psychologists, neuroscientists, health care specialists, educators, and children's rights experts – during Talkoot, a 48-hour collaborative event in Helsinki in January 2018. The Early Hearing Detection and Intervention (EHDI) Toolkit Website contains information and tools for providers in the EHDI continuum: birth hospital and NICU staff, midwives, medical home/primary care providers, audiologists, early interventionists, and other specialty providers. The focus of the website is to eliminate loss to follow-up in EHDI systems throughout Wisconsin using evidence ...Some Moral Dilemmas. The following is a list of some moral dilemmas, mostly adapted from Moral Reasoning, by Victor Grassian (Prentice Hall, 1981, 1992), with some additions. Dilemmas from Grassian are given in his own words, with comments or alterations in brackets.
