

Download Gin The Art And Craft Of The Artisan Revival

Ben Capdevielle is a third generation distiller who named Big Gin after his father's nickname. "Big Jim" has since become "Big Gin" and the family legacy was cemented. For the last 15 or so years, the gin world has been desperately seeking a new category name to describe the wide range of innovative gins that have been emerging into the market since around the early 2000s; gins that push the boundaries beyond the traditional gin types. Corsair Artisan was founded in 2008 and currently operates distilleries in Bowling Green KY and Nashville TN. We produce a range of products including whiskeys, gins, absinthe, rum, vodka and brandy. Chicago Distilleries are back. We've rounded up the best distilleries in the Windy City for the intrepid drinker. Explore them today with Liquor.com.
