

Download The Function Of Law In The International Community

The Function of Law in the International Community, first published in 1933, is one of the seminal works on international law. Its author, Sir Hersch Lauterpacht, is widely considered to be one of the great international lawyers of the 20th century. It continues to influence those studying and working in international law today. The Function of Law in the International Community, first published in 1933, is one of the seminal works on international law. Its author, Sir Hersch Lauterpacht, is widely considered to be one of the great international lawyers of the 20th century. It continues to influence those studying and working in international law today. The Function of Law in the International Community. However, it is less the scope than the manner of handling the subject which makes this book one of the most outstanding contributions to the science of international law." Francis Deak, Columbia Law Review 34:797. Marke, A Catalogue of the Law Collection at New York University 637. would be very simple and very controversial. The true function of law in the international community is precisely the same as the true function of law in any human society. This would be controversial in an all too familiar sense.
