Exam Description: The History Of the United States II CLEP picks up where the History of the United States I CLEP left off. Actually, it overlaps just a little bit as you may have noticed by the dates. The military history of the United States spans a period of over two centuries. During those years, the United States evolved from a new nation fighting Great Britain for independence (1775–1783), through the monumental American Civil War (1861–1865) and, after collaborating in triumph during World War II (1941–1945), to the world's sole remaining superpower from the late 20th century to ...AP's high school United States History course is a rigorous, college-level class that provides an opportunity to gain skills colleges recognize. A Note and a disclaimer. The Note: This great book should really be read by everyone. It is difficult to describe why it so great because it both teaches and inspires. You really just have to read it.
